

SERIMUS

Serimus S.A. was founded in Luxembourg in 2014 by its two managing partners, Clemens Huettner and Frédéric Brodach.

Strongly committed to a “People, Planet, Profit” philosophy Serimus owns, manages and advises vehicles and institutions dedicated to sustainable real assets (such as energy efficiency, renewable energy, green infrastructure and real estate). A strong focus is laid on small hydroelectric assets managed via its dedicated subsidiary **Serimus Hydro**.
